## Sunbelt Transformer Acquires Delta Testing Services Inc

**SHARON, Pennsylvania** — Sunbelt Transformer, a Grey Mountain Partners affiliate company, today announced it is acquiring California based Delta Testing Inc. (Delta Testing), an electrical services company.

The strategic acquisition of Delta Testing is a key part of Sunbelt's strategy to broaden its scope of products and services and expand its geographical presence. "We're extremely excited to have Delta Testing join our organization. Our culture, the growth of our business, and our ability to serve our customers ultimately depend on the quality of our people. Delta brings highly skilled, fantastic employees to our team, significantly expanding our capabilities and bolstering our California location, which is a focal point of our future success," said Dan Sweeney, CEO of Sunbelt Transformer.

Delta Testing was formed in 1994 and has enjoyed tremendous growth serving the industrial and manufacturing industries throughout California. The company's employees are experts in the techniques and procedures used for the maintenance, testing, and servicing of electrical equipment. Bob Nelson, the company's founder, will continue in his role as the leader of the Delta Testing segment.
