

Robbins LLC Hires CEO

Robbins LLC, an affiliate company of Grey Mountain Partners, has added Steve Saucier to its executive team. Steve will serve as CEO of the Alabama-based company. Robbins LLC is one of the largest manufacturers of custom mixed rubber compounds in the nation and a world leader in the manufacture of tire retread products.

Steve has more than 30 years of experience in manufacturing-based businesses in industries such as petrochemicals, plastics and paper. Most recently he was with Graphic Packaging (formerly known as Riverwood) as the Senior Vice President of Paperboard where he led the domestic mill operations, managed the corporation's health, safety & environmental practices, and oversaw containerboard sales. Prior to Graphic Packaging he led the operational transformation and eventual sale of a folding carton and flexible packaging company. He began his career with Mobil where we worked in the petro-chemicals division and in the high performance packaging films division. Steve has a BS in Chemical Engineering from Louisiana Tech University.

Grey Mountain Partners is a Boulder, CO-based private equity firm. Grey Mountain invested in Robbins LLC in December 2007 and is actively seeking add-on acquisitions for the Company as well as new platform acquisitions of businesses in basic industries.
