

Bolttech Mannings Acquires Bone Frontier, Inc.

BOULDER, Colo.—(BUSINESS WIRE) — Bolttech Mannings, Inc. (“Bolttech Mannings”), an affiliate company of Grey Mountain Partners (“Grey Mountain”), has acquired Bone Frontier, Inc. (“Bone Frontier” or the “Company”). Headquartered in Brighton, Colorado, Bone Frontier designs, develops, manufactures, and services advanced heat induction equipment utilized in power plants, petrochemical facilities, refineries and other process-intensive settings.

Beth Lesniak, Vice President of Grey Mountain, said, “We are very enthusiastic about the Bone Frontier acquisition and expect the Company’s technical expertise and industry leading heat induction equipment to enhance the products and services Bolttech Mannings provides to its customers. This combination will further Bolttech Mannings’ position as a pioneer in thermal technologies used in critical maintenance and repair operations.”

“The combination of Bolttech Mannings and Bone Frontier is an excellent opportunity to capitalize on the strengths of both organizations,” stated David and Marla Bone, Vice President and President of Bone Frontier. “We look forward to being a catalyst for continued growth of Bolttech Mannings’ innovative products and services.”

About Bone Frontier Company
