

Grey Mountain Partners Acquires Custom Components Company

TAMPA, Florida — (BUSINESS WIRE) — Grey Mountain Partners (“Grey Mountain”) has acquired Custom Components Company (“Custom Components”). Headquartered in Tampa, Fla., Custom Components is a niche building materials manufacturer, fabricator and supplier of aluminum, stainless steel and glass architectural engineered products including interior and exterior railing systems, interior aluminum office fronts, and stile and rail doors.

Beth Lesniak, Vice President of Grey Mountain, said, “Custom Components’ niche product line, value-added services, technical leadership, and strong management team are a critical part of our go-to-market and acquisition strategy in the glass sector.”

“The combination of Global Security Glazing and Custom Components Company will enhance our security and commercial-focused products and open up new end markets and geographies,” said Lesniak. “We are excited about this investment and the opportunity to cross-sell and grow Custom Components’ product offerings and services.”

About Custom Components Company

Custom Components Company manufactures, fabricates and distributes aluminum, stainless steel and glass architectural engineered products that are sold to general contractors, architectural firms, door, frame and hardware distributors, and glass and glazing contractors. Custom Components also provides technical drawings, engineering, in-house powder coating, and other value-added services. It serves commercial and institutional customers in major geographic markets, including: Texas, California, New York, and Washington, D.C. For more information, please visit www.cc-aep.com.

About Grey Mountain Partners

Grey Mountain Partners is a Boulder, Colorado-based private equity firm that focuses on partnering with management to create lasting value through operational improvements and buy and build strategies in fragmented markets. Grey Mountain invests in lower middle-market companies across a wide range of industries and in transactions with enterprise values between \$30 million and \$150 million.
