

## Bolttech-Mannings Hires CFO

Bolttech-Mannings, recently named a new CFO, Dan Allen. After beginning his career as an officer in the U.S. Air Force, Dan gained progressive financial leadership experience at Procter & Gamble and General Electric. Most recently, he was a division controller at Eaton Corporation. Dan brings experience in finance team turnarounds, improving key processes, and moving beyond pure accounting to act as an operational and strategic partner with his business teams.

Bolttech-Mannings is a Pennsylvania-based provider of on-site technical bolting and heat treating services, and the pioneer of the induction bolt heating process. Through its 19 field offices located throughout the U.S. and China, the company provides maintenance and emergency services to over 400 customers primarily in the power generation, refinery, and petrochemical markets.

Grey Mountain Partners is a Boulder, CO-based private equity firm. Grey Mountain invested in Bolttech-Mannings in November 2009 and is actively seeking add-on acquisitions for the Company as well as new platform acquisitions of businesses in basic industries.
